

Smith Propane & Oil's "Fuel the Shelter" Donation Program

At Smith Propane & Oil, we believe in giving back to the communities we serve. Our success as a local business in Latrobe is closely linked to the well-being of our neighbors, both human and animal. That's why we are excited to talk about our ongoing support for Action for Animals shelter through our "Fuel the Shelter" donation program.

For every gallon of fuel delivered by our Action For Animals truck, Smith Propane & Oil donates one cent to Action for Animals. This program is designed to provide continuous financial support to the shelter, helping them cover essential costs such as medical care, food, and shelter for animals in need. By tying our donations directly to our deliveries, we ensure that as our business grows, so does our support for this vital community resource. Action for Animals has been a cornerstone of compassion in Latrobe, dedicated to rescuing, rehabilitating, and finding homes for abandoned and abused animals. Their mission aligns perfectly with our values of community and care. By contributing through our Fuel the Shelter program, we aim to support their efforts in a sustainable and impactful way.

The funds generated from our deliveries help Action for Animals maintain their operations and expand their reach. Whether it's providing necessary medical treatments, ensuring animals are well-fed, or improving their living conditions, our donations make a tangible difference. Every gallon we deliver not only fuels homes and businesses but also fuels hope and second chances for animals in need. Since beginning our program in fall of last year, our truck has deliv-

ered over 475,000 gallons. Including our initial contribution, Smith Propane & Oil has donated nearly \$10,000 to Action for Animals so far, with no end date in sight.

We are proud of this partnership and the positive impact it has on our community. Our customers can also take pride in knowing that their choice of Smith Propane & Oil contributes to the welfare of local animals. Together, we are making a difference, one delivery at a time.

At Smith Propane & Oil, our commitment goes beyond business. We are dedicated to fostering a compassionate community, and our support for Action for Animals is a testament to that commitment. We look forward to continuing this partnership and seeing the lives we can change together.

Thank you, Action for Animals, for allowing us to be a part of your incredible mission. Here's to many more gallons delivered and many more lives saved.
